

St Chad's Annual Summer Party

Thank you all who have started donating. We are very grateful and ask that you pray for this event to be a success. God Bless You.

St Chad's annual summer party will be held after the 10:30 mass on Sunday 21st July and all are welcome. We guarantee a day of fun and festivity. In the past we have relied on our Parish community to support our fundraising events and St Chad's has never disappointed. You have always been so generous and we have raised significant funds over the years. In turn, this has aided the contribution to the many maintenance repairs required in our Church. There are four main ways to support your Parish.

Volunteers are required to support and run stalls, set up tables and help clear up. If you can provide assistance for some hours on that day, this would be so helpful. You are also free to join the St Chads Planning Committee. We love to welcome new members.

Purchase Raffle tickets. Raffle tickets are a great revenue earner for us. We are selling them at £1 a strip or in batches of 10. We have great prizes of 1st Prize £200, 2nd prize £100, and third prize £50. These tickets are available at the back of the hall. Please support us if you can.

Food Items. we need food item to cook and sell. Our food stall is always our biggest revenue earner. If you cannot support with food we would accept any spare cash donations to purchase food.

Bottles of soft drinks or alcohol often make great prizes on our popular Tombola stall. Cans of drinks and water are also great products that we can sell.

Thank you all for your attention. Please check with the Parish Secretary, Ukachi Nwosu-Whenu or Karen Lobo if you have any questions.

USING OUR CARD READERS: In order to protect your privacy when donating by card, please always shield the details on the back of your card.

Stella Maris is a Catholic charity supporting seafarers worldwide. They provide practical and pastoral care to all seafarers, regardless of nationality or belief. Port chaplains and volunteer ship visitors welcome seafarers, offer welfare service and advice, practical help, care and friendship. Stella Maris in Great Britain is part of an international network working in more than 250 ports around the world. 90% of world trade is transported by ship. However the life of a modern seafarer can be dangerous and lonely, spending up to a year at a time away from home, separated from their family and loved ones and often working in harsh conditions. Stella Maris relies wholly on voluntary contributions and can only continue to work through the generous donations of its supporters, particularly collection.
